Library holding culture day

On Thursday, Feb. 18, all day, children can celebrate many countries and cultures of the world. The Children's Information desk will be the "Bristol Train Station" for a day.

All children may pick up a passport at the desk and begin their journey to eight different world locations: China, Japan, United States, Brazil, Mexico, Canada, France, and Africa.

At each location, children will make a native/cultural craft and play games. At the end of the journey, children will return to the train station to get their passports stamped. Bristol Cultural Day is free and open to all.

For more information about the Bristol Cultural Day, call the Children's Department at the Bristol Public Library at (860) 584-7787 ext. 2021.
