Packing it up for the summer

Whether you go to the beach or an amusement park like Lake Compounce in Bristol/Southington, a big bag is a must if you want to carry everything you're going to need-- such as sunscreen, your iPod, Blackberry, a good book, and plenty of water. Kipling makes some great colorful, fun bags and backpacks that will serve the purpose in a stylish way. At right, Bristol's Abbey Tessier, left, Cassie Signore, and Jill Bogli ride the Lake Compounce carousel (LakeCompounce.com) as they hold onto their Kipling bags. Cassie is wearing a pair of Radley sunglasses (radley.co.uk). The rest of the outfits worn by the models are their own.

Bristol's Jenna Hussman finds a Kipling bag is perfect for carrying her gear to a backyard party. (Jenna is wearing a top from Eberjey. The jeans are her own.)
