Lighthouse Medical Equipment

Three Leaf Landscaping

Welcome new Plymouth Chamber members

The Plymouth Chamber is pleased to announce the following new members:

Lighthouse Medical Supplies – Plymouth 283-6248 – www.lighthouseme.com

The ambition at Lighthouse Medical Equipment is to surpass all expectations

of the medical equipment industry by providing compassionate, personal service

to every patient. Through first hand trials we understand your obstacles and are

personally influenced to improve your home healthcare. Our employees recognize the need for services and each will demonstrate a whole-hearted desire to assist you while acting with integrity and professionalism. Call and speak with one of our associates today for current pricing or more information. We look forward to hearing from you!

Three Leaf Landscaping – Plymouth 283-5690 – www.gothreeleaf.com

Three Leaf Landscaping, LLC was started in 2005 by Zackary Morin, a Plymouth, Conn. native. The business strictly offered landscape maintenance at the time, but

has grown to incorporate many other services. In 2006, Morin graduated with an

Associates degree in horticulture and landscape design. In spring 2006, Morin teamed up with Allen Yard, adding excavation, landscape construction, and installation services to the list of services offered. Yard has years of experience in the construction industry, having previously owned a landscape business. Today, Three Leaf Landscape, LLC continues to provide top quality service to our valued customers. Most recently, adding the Roll-off containers to the service list in the past year. We look forward to serving you in any way possible on your next project.

AmberWyvern Studios – Thomaston 888-827-1066 – www.amberwyvernstudios.com

AmberWyvern™ Studios LLC is your communications media expert. We are your #1 source of Multi-Media Production Services, Contact/Call Center Consulting, and IT Solutions Provider. With more than 20 years experience in these fields, we will meet your needs and exceed your expectations!

William Bulman Jr. started in 1987 to meet the growing need for independent consultants to provide cost effective IT solutions for small businesses and individuals. Driven by a deep entrepreneurial spirit and a keen interest in computer and other high technology, William is able to respond quickly to new technology trends and help customers effectively implement these new innovations.

The Chamber of Commerce meets on the first Friday of every month 8:00am at Thomaston Savings Bank, Terryville.

United Way of West Central Connecticut

Serving the communities of Bristol, Burlington, Plainville & Plymouth

UNITED WAY COLLECTS 3,400 TOYS!

The United Way of West Central Connecticut was blessed by a miracle this holiday season - the generosity of local companies and donors who donated over 3,400 toys and gifts to our drive! When the requests began coming in, we feared we wouldn't be able to meet the growing need of the families in our local area, who asked for over 2,500 toys!

However, a true "Holiday Miracle" occurred as the donations continued to pour in and we far surpassed the local need. Along with countless food donations that also came in, many generous individuals and companies helped to brighten the holiday season for our friends and neighbors.

Thank you to everyone who chose to LIVE UNITED by joining hands and opening your hearts. Your generosity was a gift to all of us.

Visit our website www.uwestcentralct.org to find ways you can give, advocate and volunteer all year long.
